

GHS has partnered with “Crisis Text Line” — a non-profit organization that provides crisis support via text message.

Create a new text message to: **741741**

Body of the text message: **FLINT**

- *Immediately following, the texter will receive an automated response that says “What’s on your mind?”*
- *The texter responds with current crisis, and within minutes is connected to a live, trained Crisis Counselor*
- *The Crisis Counselor will talk with the texter until the situation has calmed*
