McCree advised the board of an upcoming Facility Board celebration of Harriet Kenworthy, who was an original member of the GCCMH Services Board from 1964 to 1987, and then served on the Greater Flint Mental Health Facilities Board from 1988 to present. D. Russell requested the County Commissioners, through Commissioners Clack and Ellenburg, honor Ms. Kenworthy with a Resolution for her 55 years of continuous service to our consumers and families

VII. **Executive Director’s Report**
D. Russell gave an update on the 298 Pilot. The boiler plate language that was in the Michigan Senate bill that passed was a surprise to all involved in the process. The boiler plate does not reflect the work the Plans and the pilot CMHs have accomplished. As written, the boiler plate could have very negative consequences for the Michigan public mental health system. The CMHs and the CMHA of Michigan are asking the Governor to veto the current language and demand that the legislature re-write the section. He asked Board members to sign a letter that will be sent to Governor Whitmer.
VIII. **Other Business**

IX. **Public Participation**

With nothing further to come before the Board, the meeting was adjourned at 4:43 p.m.
