

## Subscribe to the RSS (Really Simple Syndication) feed for CHIP Updates.

Subscribing to this feed will ensure you are always notified when an update is posted to the gencmh.org website for CHIP.

Go to <http://www.gencmh.org>

Click on For Providers -> CHIP Clinical Health Information Program

At the bottom of the CHIP announcements you should see an icon like this:  Click on it.

A page similar to the one below will be displayed. (If it does not, make sure you allow pop-ups from [www.gencmh.org](http://www.gencmh.org))

**GenCMH.org**

**You are viewing a feed that contains frequently updated content.** When you subscribe to a feed, it is added to the Common Feed List. Updated information from the feed is automatically downloaded to your computer and can be viewed in Internet Explorer and other programs. [Learn more about feeds.](#)

### CHIP Announcements - Weekly Updates Postponed

Friday, January 22, 2010, 12:00:00 AM →

Please note : We did not deploy CHIP updates last night. Instead we will deploy them late on Satu...

Click on the *Subscribe to this feed* link. You will see a window pop up like the one below:

Click on *Subscribe*.

It will set up the RSS feed in your default RSS feed reader. (If you use Microsoft Outlook as your default RSS feed reader, Internet Explorer will automatically add it there. See image below)
